Bring home a beauty of a game.

With the Beauty and the Beast hand-held electronic game from Tiger Electronics, you can help Belle get through the Beast's castle to find her father.

You help the Beast defeat Gaston and win Belle's heart.

And best of all, you can do it again and again.

Bring home a game that captures the excitement of Disney's "Beauty and the Beast."

And transform playtime into an adventure time.

THE STUNT DAWGS' DAWG HOUSE

Welcome to Hollywood!

Not exactly the Hollywood you're used to seeing in films and on TV. Heck no.

But this may be the REAL one...rather than the REEL one. Yeah, welcome to the mad, mad world of the pit bull, where men eat nails for breakfast and dawgs eat dawgs for lunch.

Yeah, this is the world of the STUNT DAWGS and their enemies, (Boo!) the Stunt Scabs! This is where Needham, Splat, Skidd, Crash and the delectable Sizzle make their living doing such happy-go-lucky things as falling out of airplanes (parachuteless, of course), enjoying a bomby day (that's BOMBY, not balmy) in a wild jungle terrain, or crashing five cars at full speed into each other while dodging bullets from a gang of escaped prisoners and flicking away an army of giant killer ants.

Talk about the good life, eh!

And this is the world of (Boo!) the Stunt Scabs—led by the scurrilous Peter Fungus, and including the rapacious Airball, the covetous Lucky, the ignominous Bad Year, the pernicious Half a Mind and the deleterious Whiz Kid(Whew! Thank goodness that's over—we were running out of badjectives.)!

So get ready for the adventure of your life in this rapid-fire, off-the-wall battle of good versus evil, wild versus wilder and ditsy versus demonic!

The STUNT DAWGS are Hollywood, but they're also Khrzctphxn, as you saw this month, and they may be Paris, the Sahara or the Peruvian jungle next time. But wherever they are, you'll want to be there, too.

And don't forget, the STUNT DAWGS are also on TV, coming at you like never before on that great new medium of sound and movement. Check out your local station for time and day.

So be here next time for the further adventures of the STUNT DAWGS and (Boo!) the Stunt Scabs!

In the meantime, let us know what you think of the STUNT DAWGS. Just write to us.

And that's a take!
